FAQs

What does this mean for me now?

The last opportunity to complete AwardCMF was in April 2021. As you have not completed, you now have the option to transfer to the AwardICM. The deadline to transfer is 30 June 2021. If you don't transfer by this date, you will be required to pay the full course fee. Further information on transferring is available [here](#).

I have a learning license, will this change?

There is no change to your learning licence period. If you haven't completed by April 2021 and need to transfer, we will give you a pathway for completing and you will not be disadvantaged.

If I complete under the AwardCMF will the qualification still be recognised and will my designatory letters change?

The qualification will still be recognised and valued, the change is just part of our ongoing education program and syllabi review. The designatory letters associated with this certificate can continue to be used, and will be recognised as before.

My Student membership will expire after I transfer, what should I do?

Your Programme Manager will email you before the expiry date to inform you of how to make a payment to renew your student membership. Once you have renewed your membership, it will be valid until your learning licence expires or until you pass the course, whichever is soonest.

Who should I contact if I have a question?

If you have any questions or concerns, please do not hesitate to get in touch.

Email us at academy@treasurers.org. Alternatively, if you would like to talk to a Programme Manager, please let us know and we would be happy to schedule a call with you.
